The Roommate Convergent Books

A funny, sexy, and wildly entertaining look at the rewards of fully realized desire in the life of one ordinary woman. At 43 years old, Pamela Madsen was happily married to the man she fell in love with at 17. She was the mother of two sons and had a successful

career as a nationally known advocate for fertility issues. But she felt a growing sexual restlessness and yearning that wouldn't let up. And though Pamela loved her husband and didn't want to have an affair, she knew deep down that she needed more, much more. In *Shameless*, she tells the story of how she found it—and not only kept her marriage intact but made it stronger than ever. In this fearless memoir, Pamela tells the story of her search for sexual, personal, and spiritual wholeness. She explores, in riveting detail, what she experienced at the hands of sexual healers, men who brought her untold pleasure (and became her close friends in the process). But this is not just another sex book: *Shameless* is also an account of how Pamela's journey healed her issues with food and body image and most important, helped her

weave the many roles that she played—daughter, friend, partner, mother—into one fully integrated person. It is a story about a woman falling in love with herself and a call to other women to do the same.

My Rotten Stepbrother Ruined Snow White Lex Martin

Lichtenbergianism: procrastination as a creative strategy gives you nine Precepts, ways to restructure your thinking about how you create and why so that you can just get to work and create the work of your dreams.

Buttheads from Outer Space CRC Press

Stop Dreaming. Start Doing. "Success Is Easy is a practical, powerful and inspiring book for anyone who is ready to shift to a new level of fulfillment and mastery in business. Debbie Allen has written an important and insightful guide containing many treasures of advice and wisdom to help you create the success you deserve." DR. BARBARA DE ANGELIS • NEW YORK TIMES BESTSELLING AUTHOR AND TRANSFORMATIONAL TEACHER "If you are ready for more success and achievement in your life, Success Is Easy is a MUST read! This book will become your go-to guide for years because it's full of golden nuggets of how-to strategies that really work." T. HARVEY • NEW YORK TIMES BESTSELLING AUTHOR OF SECRETS OF THE MILLIONAIRE MIND "I know Debbie and LOVE her books! She's a street-smart genius! Dreams do come true and success really can become easy when you take the right action. Start now by reading this powerful new book!" DR. JOE VITALE • AUTHOR OF ATTRACT MONEY NOW AND ZERO LIMITS Every small business starts with a spark, an idea, a vision. But as doubt, fear, and real-world roadblocks get in the way, that reach-for-the-stars idea seems far-fetched. Motivational

speaker, entrepreneur, and success expert Debbie Allen is here to prove that your dream is not nearly as far as you think. With actionable strategies and unapologetic advice, Success Is Easy is your ultimate guide to taking the leap, overcoming obstacles, and earning success on your own terms. You'll learn how to: Take the right risks and earn big rewards Escape the "Flip-Flop Zone" and make quality decisions Craft your personal action plan for success Tell which opportunities will help you or hurt you Harness your confidence to become a shameless self-promoter Stop self-sabotage and limiting beliefs in their tracks Speak your mind and stick to it Transform failures into progress Conquer procrastination and make things happen Get out of your own way and take the first step towards turning your dream into a reality with this book.

Shameless Spilled Candy Publication

A struggling lawyer. A bitter custody battle. A deadly fire. This case could cost Kenzi her career—and her life. Kenzi Rivera is furious. Passed over for promotion at her own father's firm, the talented divorce lawyer is tired of fighting chauvinism every single day. When a desperate scientist begs for help getting her daughter back, Kenzi can't resist... even though this client is involved in Hexitel, a group she calls her religion but others call a cult. Kenzi uncovers evidence of disturbing practices at Hexitel involving large sums of money, servitude, and sex. She also learns her client's lab has been plagued by death threats and cutthroat competition. After the workplace burns to the ground and her client is charged with murder, the ambitious attorney knows there is much more at stake than a simple custody dispute. Can Kenzi find a path to the truth before she's trapped in

a maze of death? Splitsville is the dramatic first book in the Splitsville Legal Thriller series. If you like gutsy heroines, diverse characters, and page-turning suspense, then you'll love William Bernhardt's twisty tale. Buy Splitsville and strike a blow for justice!

Molecular Modeling Basics Simon and Schuster

Martin is kind, decent, not bad on the eyes... and look where that's got him. His boyfriend of four years has run off with a male prostitute, and his friends John and Caroline both have enough excess baggage to fill a Louis Vuitton window display. What's a nice gay man to do? With no one to turn to, Martin decides to relive the wild youth he never had and, at the ripe old age of 32, jumps head-first into hedonism. But soon the nights of drugs, muscle-hard bodies, and even harder music take their toll, and Martin, John, and Caroline find that as fun as being absolutely shameless is (and girl, can it be fun!), it also has a price, one which they may not ultimately be able to pay.

"Impressionistic and engaging ... Fankhauser boldly offers new wisdom." - Bromleigh McCleneghan, pastor and author of Good Christian Sex --- On the 8th day, God created sexual intercourse. And it was good. But for girls like Dani Fankhauser who were told sex was only to happen once you cross the threshold of marriage, that "goodness" seemed...questionable. As young women, we learned how to say "No" to sex, but not how to ask a guy to put on a condom. We were told to limit physical affection because it undermined love, but not how to deal with our own desires and drive. Our own bodies, and their capacity for pleasure, were left a mystery. In SHAMELESS, Fankhauser writes about the questions

she had that couldn't be answered by mainstream culture or by Christian communities - about shame, love, intimacy, and STDs. Shameless Self Promotion Wipf and Stock Publishers
Buried secrets, dirty lies, and unbridled greed and ambition raise the stakes down South in the lauded crime series from New York Times bestselling author Ace Atkins. Twenty years ago, Brandon Taylor was thought to be just another teen boy who ended his life too soon. That's what almost everyone in Tibbehah County, Mississippi, said after his body and hunting rifle were found in the Big Woods. Now two New York-based reporters show up asking Sheriff Quinn Colson questions about the Taylor case. What happened to the evidence? Where are the missing files? Who really killed Brandon? Quinn wants to help. After all, his wife Maggie was a close friend of Brandon Taylor. But Quinn was just a kid himself in 1997, and these days he's got more on his plate than twenty-year-old suspicious death. He's trying to shut down the criminal syndicate that's had a stranglehold on Tibbehah for years, trafficking drugs, stolen goods, and young women through the MidSouth. Truck stop madam Fannie Hathcock runs most of that action, and has her eyes on taking over the whole show. And then there's Senator Jimmy Vardaman, who's cut out the old political establishment riding the Syndicate's money and power--plus a hefty helping of racism and ignorance--straight to the governor's office. If he manages to get elected, the Syndicate will be untouchable. Tibbehah will be lawless. Quinn's been fighting evil and corruption since he was a kid, at home or as a U.S. Army Ranger in Afghanistan and Iraq. This time, evil may win out.

The buttheads have landed—and they're trying to wipe us out!

My best friend Lloyd and I had the perfect plan. We started a blog to invite aliens to come to Earth and hang out—but only with us. That way, they wouldn't have to meet any boring world leaders or get cut open by scientists or anything like that. We'd just chill out, eat junk food, and play video games together. Sweet, right? And it worked! Two aliens showed up one night in the bathroom of my favorite restaurant, and we snuck them home to my room. The problem is, they're total buttheads! Literally. They have butts on their heads, and they talk in farts. They're rude, disgusting, and they love Earth so much, they just invited 70 billion of their friends to join them here. Oops. Now it's up to us—two sixth graders with B-pluses in science—to save the planet from the sickest extraterrestrials in the universe. (Preferably without my parents finding out.) Sorry, everyone. Better get used to talking out of your butts, because we're all probably doomed...

Confessions of Shameless Self-Promoters: Great Marketing Gurus Share Their Innovative, Proven, and Low-Cost Marketing

Strategies to Maximize Your Success! St. Martin's Press

The secrets to creating on-line wealth from the world's top internet marketing gurus.

Shameless Grand Central Publishing

In 2011, Showtime premiered *Shameless*, a comedy-drama about the audacious behaviors of the Gallaghers, a white, working-class family living in Chicago's South Side. In 2020, the series headed into the production of its eleventh and final season, making it the longest-running original scripted program in Showtime's history. *Shameless* explores topics such as poverty, alcoholism, teen pregnancy, and mental illness. The series has been credited with "reinventing working-class TV" and for humanizing groups that are typically "othered" or simply laughed at. However, others have critiqued the show for relying on and promoting stereotypes, and for the cavalier ways in which it portrays controversial social issues like rape and abortion. *Shameless Sociology: Critical Perspectives on a Popular Television Series* offers a critical eye toward topics such as gentrification, pregnancy and abortion, racial and gender inequality, and homophobia, and illustrates the ways in which *Shameless* sometimes confronts and topples stereotypes, yet, at other times, serves to reinforce and perpetuate them. Given the broad appeal of the show and the diverse topics it covers, this book will appeal to the general public, as well as researchers of media, culture, and social inequalities, and undergraduate and graduate students at institutions of higher education.

Shameless Wordcrafts Press

The Secret to Self-Publishing on Amazon is said to be: ""You Need to First Be A Celebrity To Succeed At Anything"". This parody is a

sarcastic look at how you can be an "overnight" success - by making it impossible for anyone else to succeed as you set the bar astronomically high. Learn the 3 Parts to Real eBook Publishing * How to write a book - real quick, shallow, ghost-written. * How to publish your book - hire someone to do it for cheap, like putting their name on the cover. * How to sell a book online - using your devoted, Kool-Aid-drinking fan-base to suck-up and give you fake 5-star reviews without having read the book. Obviously, this is a work of satire and has nothing to do with the real world. And any resemblance to a currently successful bestseller is just a happy coincidence. (Right.) New Revision! PS. Contains actually helpful tips! (Don't tell anyone, but I included some tactics, strategies, and tips from later research. Just for you...) Get Your Copy Now.

Shameless Marketing Simon and Schuster

As a teenager growing up in the 1980s, all Jerry Mahoney wanted

was a nice, normal sham marriage: 2.5 kids and a frustrated, dissatisfied wife living in denial of her husband's sexuality. Hey, why not? It seemed much more attainable and fulfilling than the alternative—coming out of the closet and making peace with the fact that he'd never have a family at all. Twenty years later, Jerry is living with his long-term boyfriend, Drew, and they're ready to take the plunge into parenthood. But how? Adoption? Foster parenting? Kidnapping? What they want most of all is a great story to tell their future kid about where he or she came from. Their search leads them to gestational surrogacy, a road less traveled where they'll be borrowing a stranger's ladyparts for nine months. Thus begins Jerry and Drew's hilarious and unexpected journey to daddyhood. From then on, they're in uncharted waters. They're forced to face down homophobic baby store clerks, a hospital that doesn't know what to do with them, even members of their own family who think what they're doing is a little nutty. One thing's for sure. If this all works out, they're going to have an incredible birth story to tell their kid. With honesty, emotion, and laugh-out-loud humor, Jerry Mahoney ponders what it means to become a Mommy Man . . . and discovers that the answer is as varied and beautiful as the concept of family itself.

The Western cultural trend of self-representation is transcending borders as it permeates the online world. A prime example of this trend is selfies, and how they have evolved into more than just self-portraits. *Selfies as a Mode of Social Media and Work Space Research* is a comprehensive reference source for the latest research on explicit and implicit messaging of self-portraiture and its indications about individuals, groups, and societies. Featuring coverage on a broad range of topics including dating, job hunting, and marketing, this publication is ideally designed for academicians, researchers, and professionals interested in the current phenomenon of selfies and their impact on society.

Another Christmas Carol Penguin

NEW YORK TIMES BESTSELLER • Raw, intimate, and timely—a no-holds-barred celebration of our bodies that flies in the face of antiquated ideas about sex and gender. “A triumph.”—Glennon Doyle • “One of the most important, life-changing books I’ve ever read.”—Rachel Held Evans, author of *Searching for Sunday* and *Inspired* Negative messages about sex come from all corners of society: from the church, from the media, from our own families. As a result, countless people have suffered pain, guilt, and

judgment. In this instant bestseller, Nadia Bolz-Weber unleashes her critical eye and her vulnerable yet hopeful soul on the harmful conversations about sex that have fed our shame. Bolz-Weber offers no simple amendments or polite compromises. Instead, this modern-day reverend calls for an inclusivity that empowers us to be loyal to people and, perhaps most important, ourselves. “Christianity is not a program for avoiding mistakes,” she writes. “It is a faith of the guilty.” With an alternative understanding of Scripture passages that have been weaponized against Christians for decades, Bolz-Weber reminds us that sexual flourishing can and should be for all genders, all bodies, and all humans. She shares stories, poetry, and Scripture that wage war on perpetual anxiety around sex by celebrating sexuality in all its forms and recognizing it for the gift that it is. If you’ve been mistreated, confused, angered, and/or wounded by shaming sexual messages, this one is for you.
