HESS JOHNS

Arts & Crafts Across the U.S.A. (eBook)

Leisure Arts

The first comprehensive overview of an important genre of American art, *Souls Grown Deep* explores the visual-arts genius of the black South. This first work in a multivolume study introduces 40 African-American self-taught artists, who, without significant formal training, often employ the most unpretentious and unlikely materials. Like blues and

jazz artists, they create powerful statements amplifying the call for freedom and vision.

American Heritage Society's Americana
Three Rivers Press

12 original quilt patterns are presented in multiple sets, with innumerable additional sets suggested. Quilters can follow a complete and accurate pattern while creating something uniquely their own.

Ragtime Potter Style

Includes the proceedings of the annual
meeting of the Society.

Made from Scratch Biscuit Quilts

Xlibris Corporation

This richly illustrated book offers a glimpse into the lives and creativity of African American quilters during the era of slavery. Originally published in 1989, *Stitched from the Soul* was the first book to examine the history of quilting in the enslaved community and to place slave-made quilts into historical and cultural context. It remains a beautiful and moving tribute to an African American tradition. Undertaking a national search to locate slave-crafted textiles, Gladys-Marie Fry uncovered a treasure trove of pieces. The 123 color and black and

white photographs featured here highlight many of the finest and most interesting examples of the quilts, woven coverlets, counterpanes, rag rugs, and crocheted artifacts attributed to slave women and men. In a new preface, Fry reflects on the inspiration behind her original research--the desire to learn more about her enslaved great-great-grandmother, a skilled seamstress--and on the deep and often emotional chords the book has struck among readers bonded by an interest in African American artistry.

The Baptist Home Mission Monthly

Random House

In *A Beginner's Guide to Quilting*, longtime quilter and bestselling author Christine Mann makes it easy to master the beginning principles of quilting with

6 easy starter projects, step-by-step photographed instructions, helpful guides on cutting and coordinating colors, and delightful extras like templates and quick-reference guides.

Bicentennial Commission ... Leisure Arts

Discover a fast-and-fun method of creating (and completing!) quilted projects. When the piecing is finished, so is the quilting! With step-by-step guidance, Gudrun Erla takes you beyond the straight-line piecing associated with the quilt-as-you-go technique to include triangles, squares, and strips, plus the illusion of curves--all in her clean, contemporary style. Start with the

basics: learn to choose materials, cut, mark, baste, and sew the patchwork through all the layers Build on the basics with quick-to-stitch projects--coasters, place mats, table runners, and small quilts Sew by number, add triangles, insert prairie points, and use multiple techniques together

Learn to Quilt-As-You-Go Familius Crisp, calm, and captivating--experience the magic of blue & white! From the editors of the best seller Red & White Quilts comes a fresh take on another timeless color combination. Thirteen dreamy quilts from famed designers and collectors include a mix of exciting new designs and sentimental favorites, and three antique treasures to remake using today's fabrics and techniques. From traditional Nine Patch and Album quilts

to the pinnacle of patchwork, *Tree of Life*, enjoy spectacular blue & white quilts from: Lissa Alexander . Lisa Bongean . Julie Hendricksen . Sherri McConnell . Camille Roskelley . Laurie Simpson . Helen Stubbings . Debbie Roberts . Jill Shaulis . Nancy Mahoney . Paula Barnes and Mary Ellen Robison You'll be captivated by the creations that come from this humble two-color palette, as quilters have been for generations. It's an eternal classic that never goes out of style.

Hoosiers and the American Story

Indiana Historical Society

Illustrated with 200 stunning photographs and encompassing objects from furniture and ceramics to jewelry and metal, this definitive work from Jo Lauria and Steve Fenton showcases

some of the greatest pieces of American crafts of the last two centuries. *Potter Craft*

A Cottage Affair C&t Publishing / Crosley-Griffith

Small New England towns may bury their dead, but never the past. With an art scandal threatening her future as a curator, Arden Alexander seeks refuge in the small colonial cottage owned by the women of her family for generations. But her handsome neighbor won't let her hide for long. For years, Alex Wingate has hoped to incorporate the cottage into his plans for an artists' retreat, and Arden's arrival is his golden opportunity. But when they discover some undocumented history about their families and are drawn into a partnership, Alex's interest in Arden

soon extends to much more than her property. Before long, someone else finds the contents of the cabin too tempting to resist, and Arden and Alex realize they are fighting for their future as well as their history. As they uncover the past, can they also find the truth about themselves and their growing love?

Souls Grown Deep: Once that river starts to flow Lorenz Educational Press
Making gorgeous landscape quilts is easy with these step-by-step instructions.

Subpar Parks Penguin
Searching for creative ways to teach about the unique treasures, histories, cultures and people of each state? This book is divided into 51 units, each focusing on state and the District of

Columbia. Within that unit, students are given Fun Facts about the state. These include the origins of the state's name, as well, as a list of the items the state has designated to represent: state motto, nickname, bird, tree or flower. Each unit has a craft to be done by individual students or the entire class. Each craft is tailored to teach students something unique about the state's history, people, geography or culture. Discover fun and fascinating facts about the United States and its people and places. Let the journey begin!

Blue & White Quilts University of Arkansas Press
Find out what Mrs. Claus does with all of Santa's ruined suits.
The Wisconsin Agriculturist The Wild Rose Press Inc

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and

more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Crafting America Martingale

After a chance meeting with a dynamic race car driver, Millie is tempted to accept his offer to go to the Daytona 500 with him. She is, of course, apprehensive, but she had not felt attraction for any man since the death of her husband, a FHP cop, who was killed by a drunk driver. Dave Masden dares her beyond her capability to decline. Their first date lasts several weeks as they get to know each other.

A Beginner's Guide to Quilting

Regnery Publishing

Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, *Ragtime* changed our very concept of what a novel could be. An extraordinary tapestry, *Ragtime* captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J. P. Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of

the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.

Craft in America Tinwood Books

The award-winning musician expresses his opinions on major issues facing America, including his feelings towards the "Hollywood elite", anti-war crowds, and what freedom, family, and the American flag represent for him.

The American Agriculturist C&T Publishing Inc

****A New York Times Bestseller!**** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all

celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply "Too cold for me!" Another saw the mind-boggling vistas of Bryce Canyon as "Too spiky!" Never mind the person who visited the thermal pools at

Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.
