MARKS POWERS

Detective's Duel Capstone Classroom
 Now available for the first time as a coloring book, Eric Carle's *The Very Hungry Caterpillar* will delight children as they bring their own imagination to this classic story. Including a new introduction by Eric Carle, as well as blank pages at the end of the book for your own pictures, this is the perfect way to turn story time into coloring time. At the same time interactive and timeless, this is one coloring book you'll want to save as a keepsake!

The Year of the Wolves National

Geographic Books

Combining the eloquence and compassion of great English storytellers such as Rosamunde Pilcher and Joanna Trollope with a keen sense for how we reconcile the present by connecting to our past, Judith Lennox comes to America with this international bestseller. Rebecca Bennett, thirty-one, financially strapped and reeling from a disastrous love affair, has just taken on the biggest project of her career: writing the biography of Dame Tilda Franklin, considered England's angel to needy children. Mining the past of this distinguished child welfare activist, Rebecca is amazed to discover a history riddled with the passion and pain of mysterious kin and unpredictable love. Delving further into Dame Tilda's life, Rebecca finds parallels with her own experience and begins to regard this woman as a soul mate. Soon a romance blossoms between Rebecca and Tilda's grandson, Patrick, and she is drawn even

closer to the family. Yet, just as their relationship begins to grow, Rebecca uncovers a family secret that threatens to destroy her newfound love. Set against the stark beauty of the Fen country and peopled with memorable characters, *Some Old Lover's Ghost* is an addictive novel of tragedy, recovery, healing, and love that will raise you up and touch your heart.

Some Old Lover's Ghost Yearling

Get ready for round-the-world adventure with Sam Spinner and her brother, Nipper, in the first book in a hilarious, puzzle-packed series filled with super-secret messages! Perfect for fans of *Escape from Mr. Lemoncello's Library* and classics like *Holes*. Samantha Spinner's uncle Paul disappeared, and here's what he left:

Samantha's sister got a check for \$2,400,000,000. Samantha's brother got the New York Yankees. And Samantha got a rusty red umbrella with a tag hanging off its worn handle. The tag says "Watch out for the RAIN." Thanks a lot, Uncle Paul. After all the strawberry waffles, stories, and puzzles they've shared, how could he just leave without saying goodbye? And what is the meaning of that mysterious message? The answer is simple. Sam knows in her heart that Uncle Paul is in danger. And if he taught her anything, it's that not everything is exactly what it seems. Which is why we should pay close attention to that rusty red umbrella, and never trust a monkey at a hula-hoop contest. The RAIN is coming and Samantha Spinner is about to find herself mixed up in some super-important, super-dangerous, super-secret plans. And don't miss what happens next to Samantha, Nipper, and Dennis in *Samantha Spinner and the Spectacular Specs!* Praise for

Samantha Spinner and the Super-Secret Plans, Book 1 in the Samantha Spinner Series: "A winning mix of fast-paced action, fascinating facts, bathroom humor, and hidden puzzles . . . [that is] sure to please action-loving middle-grade readers." --Kirkus Reviews "Full of adventure and survival, . . . [and with] characters [that] are likable, realistic, and well rounded . . . [Samantha Spinner and the Super-Secret Plans is] great for [readers of] series like the 39 Clues." -- School Library Journal

The Philosophy Files Harper Collins

When a new boy comes to town and starts taking cases away from Klooz, they decide to have a duel to find the best detective in town.

My Own Very Hungry Caterpillar

Coloring Book Orion Children's Books

Is there a God, should I eat meat, where does the universe come from, could I live for ever as a robot? These are the big questions readers will be wrestling with in this thoroughly enjoyable book. Dip into any chapter and you will find lively scenarios and dialogues to take you through philosophical puzzles ancient and modern, involving virtual reality, science fiction and a host of characters from this and other planets. The text is interspersed on every page with lively cartoons, and there is a list of philosophical jargon at the end.. Stephen Law has a gift for communicating complex ideas. He offers few answers, but his unstuffy, highly personal approach will have the reader thinking and arguing with as much pleasure as he does himself.
