THE FIRST MERCY THOMPSON NOVEL! Moon Called is the novel that introduced Patricia Briggs's Mercy Thompson to the world and launched a #1 bestselling phenomenon... Mercy Thompson is a shapeshifter, and while she was raised by werewolves, she can never be one of them, especially after the pack ran her off for having a forbidden love affair. So she's turned her talent for fixing cars into a business and now runs a one-woman mechanic shop in the Tri-Cities area of Washington State. But Mercy's two worlds are colliding. A half-starved teenage boy arrives at her shop looking for work, only to reveal that he's a newly changed werewolf—on the run and desperately trying to control his animal instincts. Mercy asks her neighbor Adam Hauptman, the Alpha of the local werewolf pack, for assistance. But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once considered family—the werewolves who abandoned her... "In the increasingly crowded field of kick-ass supernatural heroines, Mercy stands out as one of the best."—Locus

For Cassie Beaumont, it's meeting her perfect match. Cassie, at thirty-three, wants a husband and kids, and so far nothing's worked. Not blind dates, not the internet and certainly not leaving love to chance. What other options are there? Well...she could hire a professional matchmaker. Simon Dodson has quite a reputation, but he's very choosy about the clients he takes on—and very expensive. Cassie considers him a difficult, acerbic know-it-all, and she's astonished when he accepts her as a client. Claiming he has her perfect mate in mind, Simon assigns her three tasks to complete before she meets this paragon. Three tasks that are all about Christmas: being a charity bell-ringer, dressing up as Santa's elf at a mall and preparing a traditional turkey dinner for her neighbors (most of whom she happens to dislike). Despite a number of comical mishaps, Cassie does it all—and then she's finally ready to meet her match. But just like the perfect Christmas gift, he turns out to be a wonderful surprise!

Ten years ago, federal agent Samantha Moon was the perfect wife and mother, a typical soccer mom with a minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now in VAMPIRE FIRE, private investigator Samantha Moon's new client asks her to find a dead guy—a dead guy she

knew. It doesn't take Sam very long to figure out that something wicked this way comes—very, very wicked—but there's no way she can walk away from this case... However, Sam's client doesn't want the guy's body—he wants his soul. And if Sam fails, then two others will die. Now Sam must track down the spirit of a dead man who's hiding from his destiny and hand him over. She doesn't even know who else is at risk, but she has to choose whether to protect the soul of a dead man or protect others whose lives are at stake. Worst of all, she's forced to work for someone who may just be evil incarnate. When tragedy strikes, Sam has only until sunset to save a life. As Sam races to find the victim before it's too late, it will take all she has in her to beat the devil at his own game... VAMPIRE FIRE (Vampire for Hire #12) is J.R. Rain's first exciting novel in The Devil's Triangle, a paranormal thriller trilogy within the Vampire for Hire series in which Samantha Moon must risk everything to battle the greatest evil the world has ever known.

#### American Vampire 1976 Thomas Nelson

She wants security. He wants freedom. Together their love could destroy the world. Ten years after the outbreak of the V2000 virus turns the majority of humans into a mutated Vampire sub-species, the last remaining true humans are the world's hottest commodity. In this new world, it's The Society that rules. Being the only female Vampire Lord in America isn't easy. Being thrust into the role of CEO is even harder. Danika Chekov refuses to let her father's legacy die. She's resolved to keep everything under her tight control. But after she's almost killed, she's forced to purchase a human guardian. Mason is human, or so the Vampires think. He's determined to protect his secret, but Lord Danika buys him before he can make his escape. Their passion for each other threatens everything they want most. And when Mason's true nature is exposed, the results could be devastating. 90,150 Words

Books 8, 9, and 10 in the international #1 bestselling series, Vampire for Hire: MOON RIVER Seven years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now in Moon River, private investigator, Samantha Moon, is asked to look into a string of bizarre murders, murders that are looking more and more like the handiwork of a bloodthirsty vampire. But when her sister, Mary Lou, goes missing, Samantha, Allison and Kingsley take the

fight underground...into the dark heart of a vampire's lair. VAMPIRE SUN Private investigator Samantha Moon looks into the bizarre disappearance of a woman who enters a Starbucks, but never leaves. Her distraught husband, a person of interest, hires Sam when a Corona Police Department detective gets killed and the case grows cold. In addition, Sam's former guardian angel—now a fallen angel—makes another, startling appearance. Not to mention, Kingsley, her cheating werewolf lawyer ex-boyfriend, is trying to win her back...at all costs. Daughter Tammy's psychic powers are growing exponentially, as are her best friend Allison's, and son Anthony deals with school violence and starts boxing lessons with his own supernatural strength. Just one big, happy, paranormal family. Most of all, Sam needs to get her hands on the fourth medallion. Fang, her former friend and love interest, has the diamond medallion, which reputedly will restore mortality, yet allow a vampire certain powers. Needless to say, Sam will do almost anything to get it. But the demoness within Sam threatens to kill the last shreds of her humanity. Suddenly, killing for blood doesn't seem that heinous. Sam knows if she doesn't get that diamond medallion soon, it could be the end of her conscience...and the end of all that she loves most. MOON DRAGON Private investigator Samantha Moon investigates allegations by her dead ex-husband's mistress that a killer is on the loose...a killer who just might be immortal. And when another woman vanishes, the clock starts ticking...As Sam digs deeper into the case, a very dangerous supernatural creature makes his presence known. A creature with a pedigree of evil. A creature who knows her all too well. A creature who just might be history's greatest mass murderer. Most of all, she needs to find the missing woman before it's too late—after all, Sam knows the intended time of the murder, but not the place. Now in a race against time, Samantha Moon is about to discover the lengths one sadistic pack of immortals will go to feed their bloodlust...

*Vampire Fire* Little, Brown Books for Young Readers Book 16 in the bestselling "Vampire for Hire" series! To save a child, Samantha Moon would go to the end of the Earth—even past it to alternate dimensions. At long last, she's learned the truth behind her vampire sire and why he turned her. But with that comes a revelation about an ancient evil that preys on innocent young witches. Turns out, Sam has a unique connection to the fiend, but it might not be enough to help her find the monster. Of course, it's not like she doesn't have all the time in the world... That changes when the Red Rider abducts a ten-year-old girl, intending to devour her unusually strong magic. Sam cannot bear the thought of such a young child experiencing a death so gruesome. Her need to destroy a monster who could do such things to the innocent does something she never imagined possible... for once, she and Elizabeth will work together. To make

matters worse, the witch-hunter isn't even on Earth. With precious little time remaining, Sam must track down a killer into worlds that stretch the imagination... worlds beyond belief and dreams. A little girl's life depends on it. MOON MASTER, Red Rider, Part 2, is the second book of an epic two-part paranormal mystery adventure set within the Vampire for Hire series.

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

A New York Times Notable Book An ALA Notable Book "Original and illuminating." --The Washington Post What draws our species to war? What makes us see violence as a kind of sacred duty, or a ritual that boys must undergo to "become" men? Newly reissued in paperback, Blood Rites takes readers on an original journey from the elaborate human sacrifices of the ancient world to the carnage and holocaust of twentieth-century "total war."

Ehrenreich sifts deftly through the fragile records of prehistory and discovers the wellspring of war in an unexpected place -- not in a "killer instinct" unique to the males of our species, but in the blood rites early humans performed to reenact their terrifying experiences of predation by stronger carnivores. Brilliant in conception and rich in scope, Blood Rites is a monumental work

that continues to transform our understanding of the greatest single threat to human life.

**Vampire Moon** Createspace Independent Publishing Platform A THRILLING REINVENTION OF THE VAMPIRE NOVEL BY THE MASTER OF MODERN FANTASY, GEORGE R. R. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind's most impossible dream.

In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly

frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

Ten years ago, federal agent Samantha Moon was the perfect wife and mother, a typical soccer mom with a minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. There's something in the water. Something evil... Now in MOON SHADOW (Vampire for Hire Book 11), private investigator Samantha Moon is hired to track down a purported lake monster that could wreak havoc on a tourism business. When Sam delves into the creature sightings that have spooked Lake Elsinore residents, she crosses paths with the case of two missing boys. The police are stumped, and Sam and her werewolf lawyer boyfriend, Kingsley, team up to investigate both cases. And what lies beneath the surface of the lake is just the beginning for the paranormal abomination that has taken over Lake Elsinore. This is no legendary monster. Its diabolical evil spans centuries and even worlds - and it sets its sights on Sam's loved ones... As Sam and Kingsley pursue the truth, time is running out for the missing boys - and for someone she loves. Will Samantha Moon have to choose between them?
