With the help

Roman just

The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined

to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting

creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as

crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this

school
become true
monarchs.
Even the
teachers bow
to them now.
And I'm kinda
glad about
that 'stay six
feet away

another' rule,
because
without it, I
know they'd
rip me apart.

there's a silver
lining. I'm

vendetta of
his own
against the
Night Keepers.
And with his
help, I may

succeed at
doing more
than escaping
the clutches of
these
heartless
fiends. I might
even destroy
them along
the way. My
father taught
me how to be
strong. How to
prepare for
the end of the
world. So this
isn't going to
be the end of
my world,

words. But if
I'm able to use
my mind and
body to bring
these assholes
to their knees,
it might just
be the end of
theirs. This is

may have
triggers for

 Desmond Beckwith is not a happy man. A financial wizard with an international investment empire, he's also in love with his lifelong-but-straight friend Roger. At forty-five, in spite of a circle of supportive friends and an elegant New York townhouse full of antiques, he feels isolated and

cut off from humankind. And with good reason. Desmond Beckwith is a two-hundred-fifty-year-old vampire. For nearly two centuries he has lived in New York, looking vainly for love and seeking to satisfy his twin thirsts for blood and sex in those places where men of his kind have always met to find release and solace. Into Desmond's sheltered, lonely world stumbles Tony Chapman, an

unemployed museum curator, down on his luck and one step away from being out on the streets. Brutalized by the unforgiving nature of New York City, Tony is on the edge of despair when he meets this darkly handsome older man in the smoky dimness of a Greenwich Village bar. To their mutual astonishment, Tony proceeds to turn Desmond's protected little world on its head, and to

unlock pieces of Desmond's past lives and loves that were deeply buried in Desmond's memory. *Frankenstein Alive, Alive: The Complete Collection* Independently Published The attack on Nagoya continues! The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and

beautifully written, *The Historian* is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty

libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. “Part thriller, part history, part romance...Kos tova has a keen sense of storytelling and she has a marvelous tale to tell.”
