In 1885, Alfred Barnard was charged with the task of visiting and reporting on every active Whisky distillery throughout Scotland, Ireland and England. It took

him two exhaustive years. In this book you will see the distilleries through his eyes. His detailed descriptions of every step in the distilling process is work that remains unparalleled to this day. But that's only part of the story. As he and his companions traveled the countryside, he fell in love with Scotland and all its grandeur as well as the lush landscapes of Ireland. As you read through this book - presented as an ebook for the very first time - you'll fall in love, as well. Part technical document and part travelogue, you're almost getting two books in one intertwined volume. Granted, this text lacks the visual beauty and splendor of the fine print editions, but the words stand up on their own and will transport you to a Victorian adventure that was, is and always will be one of a kind. This edition does not contain the additional writings of Alfred Barnard that are found in recent print editions, just the text of his original book. There are two additional chapters from his writings giving added detail for Glenglassaugh and Glenfarclas.

“When I think mixing, I usually think music, not drinks. Natasha David’s Drink Lightly made me think twice. This set of recipes for non-alcoholic and low-alcoholic cocktails does the perfect thing, which is to show us how to make our lives a little better, and it does it over and over again.”—Questlove
Explore the lighter side of serious cocktails with 100 recipes for creative low and no-alcohol drinks from the craft cocktail veteran behind New York City’s beloved Nitecap bar. Drink Lightly presents a relaxed style of drinking that goes down easy but is soundly rooted in the technical precision of craft cocktails. Award-winning bartender Natasha David’s approach to low-alcohol, aperitif-style drinks goes far beyond the formulaic—bitter liqueur plus soda—and takes full advantage of an incredible and vast array of low-proof spirits, liqueurs, and wines, along with flavorful fruit and herbal infusions. The result is a collection of creative, genre-pushing drinks that surprise and delight. Offerings are effervescent and light in effect, but complex in flavor, ranging from savory and herbal to floral and aromatic, depending on your mood. Inspired by the joyful rhythms of life and

gathering, recipes include delights such as the Lillet Rouge-spiked Kitty Cat Chronicles and the Wiggle Room, a vermouth and soda on a tropical vacation. The drinks are organized by refreshing Gulpabale Thirst Quenchers that invigorate the soul, Party Starters for a crowd, Decadent Treats for some frothy indulgence, end-of-the-night Slow Sippers, and non-alcoholic pick-me-ups. Served up with whimsy and a wink, Drink Lightly will delight novices and professionals alike with its joyful spirit and lighthearted offerings.

The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.

Was/Wer/Wann ist Belize? Fragen, die in Europa höchstens Insidern, Tauchern und Individualtouristen ein wissendes, genießerisches Schmunzeln entlocken. Gebettet zwischen Mexiko, Guatemala und der Bucht von Honduras ist dieses kleine Paradies in der "Alten Welt" weitestgehend unbekannt. Die Anreise über die USA oder Mexiko und fehlende Reiseagenturen, die Belize verkaufen, haben diese Perle der Westkaribik bis heute vom europäischen Massentourismus verschont. Auf nur 22.696 Quadratkilometern machen gigantische Mayaruinen; das exorbitanteste Höhlensystem Zentralamerikas; das zweit größte Barrierriff der Welt, lebendiger als das Große vor Australien; eine Inselwelt, den Malediven kaum nachstehend; die größten Flächen zusammenhängenden Regenwaldes Zentralamerikas und einzigartige Wasserfälle Belize einmalig auf unserem Planet. Verschiedenste Haiarten, darunter der Walhai, dazu Delfine, Rochen, Manatees, Schildkröten sind neben anderen ungezählten Meeresbewohnern vor der Küste zu beobachtender Standard. Jaguare, Pumas, Tapire, Jabirus, Harpy Eagles und Scarlet Macaws pilgern das Land. Und

auch die meist besiedelten Reservate für Jaguare und Brüllaffen der Welt sind in Belize.
