Gulliver's Travels Litres

There is probably nothing more intriguing than the world of unknown or rather the world of supernatural. People in today's world might not want to believe in anything non-scientific but the seed of believing in this parallel world is sown in our minds right from childhood. At some point or the other we have heard ghost stories from grandparents or read books which have haunted us at nights. Ek Anokhi Kahani brings back all those memories but in a modern set-up.

**Alanna** Disney Electronic Content There is no better introduction to R.K. Narayan than this remarkable collection of stories celebrating work that spans five decades. Characters include a storyteller whose magical source of tales dries up, a love-stricken husband who is told by astrologers he must sleep with a prostitute to save his dying wife, a pampered child who discovers that his

beloved uncle may be an impostor or even a murderer. Standing supreme amid this rich assortment of stories is the title novella. Told by the narrator's grandmother, the tale recounts the adventures of her mother, married at seven and then abandoned, who crosses the subcontinent to extract her husband from the hands of his new wife. Her courage is immense and her will implacable -- but once her mission is completed, her independence vanishes. Gentle irony, wryly drawn characters, and themes at once Indian and universal mark these humane stories, which firmly establish Narayan as one of the world's preeminent

storytellers.

*The Lonely King and Queen* Beginner's Bible 'NO' is RJ's least favorite word . . . and he tries his best to convince his dad, his mom, and his teacher to turn "No" into "Maybe" or "We'll see" or "Later" or "I'll think about it." Author Julia Cook helps K-6 readers laugh and learn along with RJ as he understands the benefits of demonstrating the social skills of accepting "No" for an answer and disagreeing appropriately. Tips for parents and educators on how to teach and encourage kids to use these skills are included in the book. *I Just Don't Like the Sound of NO!* is another in the BEST ME I Can Be! series of

books from the Boys Town Press that teach children social skills.

**Ali Baba and the Forty Thieves** Disney Press

The “intimate and affecting” novel of an Indian couple’s quest for a child that sparked national conversations about cast and female empowerment (Laila Lalami, New York Times Book Review). Set in South India during the British colonial period, *One Part Woman* tells the story of Kali and Ponna, a married couple unable to conceive. The predicament is of major concern for their families—and the crowing amusement of

Kali's male friends. From making offerings at different temples to circumambulating a mountain supposed to cure barren women, Kali and Ponna try everything to solve the problem. But a more radical plan is required. The annual chariot festival, a celebration of the god Maadhorubaagan, who is part male and part female, may provide the answer. On the eighteenth night of the festival, the rules of marriage are relaxed, and consensual sex between unmarried men and women is overlooked, for all men are considered gods. The festival may be the solution to Kali and Ponna's problem, but it soon threatens to drive the couple apart as much as to bring them together. Wryly

amusing and deeply poignant, *One Part Woman* is a powerful exploration of a loving marriage strained by the expectations of others, and an attack on the rigid rules of caste and tradition that continue to constrict opportunity and happiness. Longlisted for the National Book Award
