line.

Do You Feel Like I Do?

Hal Leonard
Corporation

How have technology and science helped musicians throughout the years? How does today's technology help us to create new music or music in different ways? Will computer ever be able to make music completely by themselves? From the invention of the electric guitar through to today's high-tech music creation software, technology has always helped us to create music in new and exciting ways. This book looks at historical, current and emerging techniques involved in music creation and performance. We also look at the increasing and changing role of the internet in music creation and distribution - including the history of music piracy.

The Addiction

Formula Hal Leonard Corporation

Polar Bear is sad and alone. but when he writes to his friends, he can hardly believe the surprises he receives in return! With, glitter and spot varnish throughout, real letters and parcels to open and a special surprise pop-up parcel ending, this cheerful story about friendship and sharing is perfect for young children.

Brad Paisley - Play: The Guitar Album (Songbook)

The Birth of a Nation
W. W. Norton

Over one hundred years since it premiered on cinema screens, D. W. Griffith's controversial photoplay *The Birth of a Nation* continues to influence American film production and to have relevance for race relations in the United States. This work challenges the idea the United States has moved beyond racial problems and highlights the role of film and representation in the continued struggle for equality. Listening to Rap Simon and Schuster "An utterly satisfying examination of the business of popular music." —Nathaniel Rich, *The Atlantic* There's a reason today's ubiquitous pop hits are so hard to ignore—they're designed that way. The

Song Machine goes behind the scenes to offer an insider's look at the global hit factories manufacturing the songs that have everyone hooked. Full of vivid, unexpected characters—alongside industry heavy-hitters like Katy Perry, Rihanna, Max Martin, and Ester Dean—this fascinating journey into the strange world of pop music reveals how a new approach to crafting smash hits is transforming marketing, technology, and even listeners' brains. You'll never think about music the same way again. A Wall Street Journal Best Business Book
Cups Sheet Music Hal Leonard Corporation
Pop music surrounds us - in our cars, over supermarket speakers,

even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the bestseller that made classical music

approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake

it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something

ear-opening in
Switched on Pop.
Impact of Technology

Reviews! "Nance
states that, by their
choices, actions, and
statements, 'Trump
and Pence chose
Russia's values over
America's.'" -Michael
Lipkin, New York
Journal of Books
Published a full month
prior to the divisive
Trump vs. Clinton 2016
presidential election,
this book exposed the
Russian hacking while
the CIA was drafting
their own report. In
April 2016, computer
technicians at the
Democratic National
Committee discovered

that someone had
accessed the
organization's
computer servers and
conducted a theft that
is best described as
Watergate 2.0. In the
weeks that followed,
the nation's top
computer security
experts discovered
that the cyber thieves
had helped themselves
to everything: sensitive
documents, emails,
donor information,
even voice mails. Soon
after, the remainder of
the Democratic Party
machine, the
congressional
campaign, the Clinton
campaign, and their
friends and allies in the
media were also
hacked. Credit cards
numbers, phone
numbers, and contacts
were stolen. In short
order, the FBI found
that more than twenty-
five state election

offices had their voter registration systems probed or attacked by the same hackers. Western intelligence agencies tracked the hack to Russian spy agencies and dubbed them the “Cyber Bears.” The media was soon flooded with the stolen information channeled through Julian Assange, the founder of WikiLeaks. It was a massive attack on America but the Russian hacks appeared to have a singular goal—elect Donald J. Trump as president of the United States. New York Times bestselling author of *Defeating ISIS*, Airey Neave Memorial Book Prize finalist for *Hacking ISIS*, career intelligence officer, and MSNBC terrorism expert correspondent Malcolm Nance’s fast

paced real-life spy thriller takes you from Vladimir Putin’s rise through the KGB from junior officer to spymaster-in-chief and spells out the story of how he performed the ultimate political manipulation—convincing Donald Trump to abandon seventy years of American foreign policy including the destruction of NATO, cheering the end of the European Union, allowing Russian domination of Eastern Europe, and destroying the existing global order with America at its lead. *The Plot to Hack America* is the thrilling true story of how Putin’s spy agency, run by the Russian billionaire class, used the promise of power and influence to cultivate Trump as well as his closest

aides, the Kremlin Crew, to become unwitting assets of the Russian government. The goal? To put an end to 240 years of free and fair American democratic elections.

Woven in Moonlight

Rowman & Littlefield
A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite

literally—change it. The Novel Cure is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read as the antidote.

**Into the Unknown
(from Frozen 2) -
Easy Piano Sheet**

Music Hal Leonard
A riveting tale of unfathomable success great joy deep pain, and redemption that can come only from above. From a working-class background in North Carolina to a job

as a cook and club singer in Nashville to his "overnight success" with his smash 1986 album Storms of Life-- which launched the neotraditional movement in country music--Randy's first three decades are a true rags-to-riches story. But in 2009, this seemingly charmed life began a downward spiral. His marriage dissolved, he discovered that his finances had unraveled, and his struggles with anger led to alcohol abuse, public embarrassment, and even police arrest in 2012. Then, just as he was putting his life back together, Randy suffered a devastating viral cardiomyopathy that led to a massive stroke which he was not expected to survive. Yet he not only

survived but also learned to walk again and, in 2016, accepted his induction into the Country Music Hall of Fame by singing the hymn that explains his life today: "Amazing Grace." Filled with never-before-told stories, Forever and Ever, Amen is a fascinating behind-the-scenes look at dizzying success and the miraculous road to restoration.

John Denver - Love Songs

Simon and Schuster
Inspired by the tender sentiment of the now classic Breath of Heaven, this book is filled with classic artwork and stunning contextual visuals that bring to life the lyrics of this popular song. For readers to experience the full power of this classic

song, a CD Amy Grant's recording will be included in the back of the book. Also included is a foreword by Amy providing additional devotional thoughts surrounding the heart of this unforgettable song. A stunning Christmas gift book with full color throughout.

Making Music

Macmillan Higher Education
"Something in the Water" is an inspiring testimony of spiritual reawakening from country music's reigning queen, Carrie Underwood. Capturing the uplifting mood of the song, this collectible sheet features lyrics, vocal melody, piano accompaniment, and guitar chord diagrams. Dear Polar Bear--
Alfred Music

What do you think Heaven will be like? How do you describe Heaven to your kids? What are you going to ask Jesus? Bill and Gloria Gaither gathered friends to discuss these questions and more about their eternal home. The responses were all that you might imagine...and more. Releasing simultaneously with a video of the same name, this companion book brims with laughter, tears, and a treasure chest of recollections and insights. Of course, you don't need to be reminded of the Gaithers' tremendous fan base. With over 8 million of their popular Homecoming videos sold, the potential for this comforting gift book is nothing short of heavenly. The Gaithers

are constantly on best-seller lists with their videos and music. They have also sold well over 300,000 books.

Vocabulary in Use Pre-intermediate and Intermediate is a vocabulary book for intermediate learners of English, primarily designed as a self-study reference and practice book, but which can also be used for classroom work. In its style and format it is similar to its upper intermediate and advanced equivalent, English Vocabulary in Use. - 100 easy-to-use units: over 2,500 vocabulary items in a wide range of topic areas are presented, contextualise and

explained and explained on left-hand pages with a variety of follow-up activities on right-hand pages. - Helps to build on and expand existing vocabulary. - Suggests tips and techniques for good learning habits. - Designed to be flexible: can be used both for self-study and in class. - Provides a comprehensive key with not only answers to the exercises but also more comments on how the language is used. - Includes a detailed index with phonetic transcriptions.

In Christ Alone

Springer

The most frequently asked question about writing musicals is, "Which comes first, the music or the lyrics?" As anyone on Broadway

will tell you, the answer is, "The book." Tony-winning book writer Robert L. Freedman takes you through the process of writing a new musical, including story structure, song placement, dialogue, character development, and more that led to the creation of *A Gentleman's Guide to Love and Murder*, the 2014 Best Musical Tony winner. With candor and insight, Freedman describes the challenging and rewarding growing pains of what the critics called "Hilarious!" and "Ingenious!" and said "Ranks among the most inspired and entertaining new musical comedies I've seen in years."
