## **BISHOP WILEY**

*The Artist's Guide to Grant Writing* HarperCollins

In this valuable handbook, writers learn how to market the potential of a book idea and effectively communicate that potential in a proposal that publishers will read.

*Fundamentals of Business (black and White)* Cengage AU

Hit and Run tells the improbable and often hilarious story of how two Hollywood film packagers went on a campaign to reinvent themselves as studio executives -- at Sony's expense. Veteran reporters Nancy Griffin and Kim Masters chronicle the rise of Jon Peters, a former hairdresser, seventh-grade dropout, and juvenile delinquent, and his soulless soul mate, Peter Guber -- and all the sex, drugs, and fistfights along the way. It is the story of the ultimate Hollywood con job and the standard by which every subsequent business blunder has been measured. Hit and Run delivers rock-solid business reporting liberally laced with inside gossip and outrageous scandal -- plus a new afterword bringing us up to date on the latest fallout from the Guber-Peters legacy.

*Hastings Communications and Entertainment Law Journal*

(Comm/Ent) Rodale Books

It's no secret that the world of publishing can be difficult to understand. It's an industry where things change almost as much as they stay the same. Confusing, right? Technology has paved the way for many new publishing options, but how do you know which is best for you? What's the first step? Where do you start? Do you need an agent? What about the publishing contract? In *BE AN AUTHOR: A GUIDE TO THE BASICS AND THE BEWARES OF GETTING PUBLISHING*, experienced literary agent Diane S. Nine answers those questions and more! After reading this helpful guide, you will be better informed and ready to begin your own publishing journey!

*The Five Love Languages* J. Ross Publishing

Inside Electronic Game Design opens the secret world inhabited by designers of computer, multimedia, and video games. Leading game designers are spotlighted and give insights into the

concepts and dynamics of game making. Would-be game designers will learn how to professionally pursue a career in this booming industry.

*Bull's-Eye! The Ultimate How-To Marketing and Sales Guide for CPAs* Writer's Digest Books

Directing the Documentary is the definitive book on the documentary form, that will allow you to master the craft of documentary filmmaking. Focusing on the hands-on work needed to make your concept a reality, it covers the documentary filmmaking process from top to bottom, providing in-depth lessons on every aspect of preproduction, production, and postproduction. The book includes dozens of projects, practical exercises, and thought-provoking questions, and offers best practices for researching and honing your documentary idea, developing a crew, guiding your team, and much more. This fully revised and updated 7th edition also includes brand new content on the rise of the documentary series, the impact of video on-demand and content aggregators, updated information on prosumer and professional video (including 4K+), coverage of new audio & lighting solutions and trends in post-production, coverage of the immersive documentary, and provides practical sets of solutions for low, medium, and high budget documentary film productions throughout. The companion website has also been fully updated to a variety of new projects and forms. By combining expert advice on the storytelling process, the technical aspects of filmmaking and commentary on the philosophical underpinnings of the art, this book provides the practical and holistic understanding you need to become a highly regarded, original, and ethical contributor to the genre. Ideal for both aspiring and established documentary filmmakers, this book has it all.

Whether you have a long-standing, well-known event, or you're just getting started, Sell Your Event! The Easy to Follow Practical

Guide to Getting Sponsors will give you the necessary tools and tips to generate strong sponsorship support! From finding and approaching the right prospects for your event, to building loyal sponsors that return year after year, this book provides real-world guidance and insights on how to maximize your event-sponsor partnership. Based on practical, first-hand sponsorship sales experience, *Sell Your Event! The Easy to Follow Practical Guide to Getting Sponsors* is filled with real-world insights from working with actual events and sponsorship successes (and a few mistakes). Throughout the book, you'll find guidance and proven examples of what works: sales scripts, sponsorship decks, finding decision makers, creative activations, sponsor recaps, and more. Author Teresa Stas takes you through the sponsorship sales and management process from beginning to end, helping you not only attract sponsors for your event, but keep them coming back. As the founder and CEO of Green Cactus Live Event Sponsorship Agency, Author Teresa Stas has over 17 years of experience in sponsorship sales and marketing, brokering millions of dollars in sponsorships for her clients, and working with local, regional and major national brands. Teresa is a national speaker on the topic of sponsorships, online course creator, and authors the column "Small Event, Big Sponsors" for *International Festivals and Events* "ie" Magazine.

*Food and Beverage Service* Simon and Schuster  
Arvind Singhal and Everett M. Rogers have developed this unique volume focused on the history and development of entertainment-education. This approach to communication is the process of designing and implementing a media message to both entertain and educate to increase audience members' knowledge about an educational issue, create favorable attitudes, and change overt behavior. It uses the universal appeal of entertainment to show individuals how they can live safer, healthier, and happier lives. Entertainment formats such as soap operas, rock music, feature films, talk shows, cartoons, comics, and theater are utilized in various countries to promote messages about educational issues. This book presents a balanced picture of the entertainment-education strategy, identifying ethical and other problems that accompany efforts to bring about social change.

*Directing the Documentary* Biteback Publishing

From business essentials to design inspiration, the secrets to

events industry success Author Lena Malouf is a renowned expert in the special events industry. She has won countless accolades for her work, including a recent Lifetime Achievement Award from The Special Event, and has served in major leadership positions in several industry organizations, including as International President of the International Special Events Society and an advisory board member for The Special Event. The book features straightforward advice on operating a successful special events business, gleaned from Malouf's more than 40 years in the event planning industry. It includes guidance on developing a strategy, identifying potential clients, developing proposals, building an event budget, coordinating with contractors, and much more. And beyond the business components, readers will also find a section on designing successful events, including tabletop, ceiling, and wall decor, while a chapter on developing thematic concepts will illustrate how an event planner can successfully bring a theme to life. With full-color photos in two 8-page inserts and practical checklists throughout, this is a must-have reference for industry professionals, special events students, and aspiring event planning professionals everywhere.

*How to Write a Book Proposal* Yusuf Pisan

*How to Write a Book Proposal* John Wiley & Sons

Probably the most famous living philosopher, Slavoj Žižek explores the meaning of events in this short and digestible book. An event can be an occurrence that shatters ordinary life, a radical political rupture, a transformation of reality, a religious belief, the rise of a new art form, or an intense experience such as

falling in love. Taking us on a trip that stops at different definitions of event, Žižek addresses fundamental questions such as: are all things connected? How much are we agents of our own fates? Which conditions must be met for us to perceive something as really existing? In a world that's constantly changing, is anything new really happening? Drawing on references from Plato to arthouse cinema, the Big Bang to Buddhism, *Event* is a journey into philosophy at its most exciting and elementary.

*Sell Your Event!* First Run Publishing LLC

*The Artist's Guide to Grant Writing* is designed to transform readers from starving artists fumbling to get by into working artists who confidently tap into all the resources at their disposal. Written in an engaging and down-to-earth tone, this comprehensive guide includes time-tested strategies, anecdotes from successful grant writers, and tips from grant officers and fundraising specialists. The book is targeted at both professional and aspiring writers, performers, and visual artists who need concrete information about how to write winning grant applications and fundraise creatively so that they can finance their artistic dreams.

*Persuasive Business Proposals* Penguin

Explores the all-important languages of love, helping each partner discover which actions are interpreted by the other as loving and affirming, and which as indifferent and demeaning. With study guide.

*Hit and Run* AMACOM Div American Mgmt Assn

THE ESSENTIAL RESOURCE FOR SELLING YOUR BOOK If you want to publish a book, you must present it to agents and publishers with a knock-your-socks-off proposal. Whether you're seeking a traditional press to publish your self-published book or trying to win over an agent for your graphic novel, memoir, or nonfiction title, you need an irresistible proposal. The better your proposal, the better the editor, publisher, and deal you will get. Nailing your proposal requires an understanding of how publishers work and how to brand yourself, build a platform, and structure your book. You'll learn it all in this breezy top-to-bottom revision of the classic 100,000-copy best-seller. Inside *How to Write a Book Proposal* 5th Edition, you will find: • Examples of successful proposals that earned six-figure deals • Guidance from agents, publishers, and writers • Ways to customize your proposal • Strategies for proposals in the Digital Age • Effective structures

for narrative writers • A list of the "Top Ten Proposal Killers" This sassy, thorough guide from industry professionals Jody Rein and Michael Larsen will become your go-to for advice about publishing.

*The Nuts and Bolts of Grant Writing* John Wiley & Sons

A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

**Art, Money, Success** National Geographic Books

As a young woman, Democratic Congresswoman Carolyn Maloney asked her grandmother for career advice. She was shocked by the reply: "Get married." Though much has changed for women since then, more has remained the same. On a January night in 2008, Maloney and her daughter attended a Hillary Clinton rally in New Hampshire. Some men in the audience held "Iron My Shirt" posters aloft. This small incident provoked outrage, but it provided an important peephole onto larger problems that women face today. In her groundbreaking book, *Rumors of Our Progress Have Been Greatly Exaggerated*, Congresswoman Maloney shatters the myths about how far we've come, highlighting how women's issues permeate every realm of society, and how political change has provided only a fraction of a solution. The former cochair of the Women's Caucus, Maloney has access to a wealth of cutting-edge research that helps her illuminate how far behind we still fall on gender equality in issues from health care

to educational opportunities, from poverty to reproductive freedom. It's a fact that women are working harder than ever, but they're still only paid three-quarters the salary of their male counterparts. She weaves this vital information with gripping stories of real women, making clear that she's not taking some abstract political position. She's talking about real people, real lives. Maloney also points the way forward, sharing inspiring tales of female activists who have managed to make a difference and presenting readers with "take action" guides that show all women practical ways they can help bring about change in their lives and the lives of others.

**INSTANT #1 NEW YORK TIMES BESTSELLER** A Best Book of the Year: *The New Yorker*, *The Guardian*, *The Sunday Times*, *The Daily Mail*, *Good Morning America*, *She Reads Famed American* actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always

outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

*Events Exposed* Melville House

Use the latest technology and techniques to craft winning proposals.

**IE2007: Proceedings of the 4th Australasian Conference on Interactive Entertainment** Routledge

Jimmy Reid's funeral in 2010 was attended by Gordon Brown the former Prime Minister, Alex Salmond the First Minister and other leading politicians. Eulogies were given by his friends Sir Alex Ferguson and Billy Connolly. Crowds lined the streets for the funeral cortege. The *Daily Telegraph* described Reid as the 'greatest MP Scotland never had' in its obituary. Yet to date there has been no biography of the man who was an iconic figure in Scotland and hugely popular both as a politician and then as a TV and media commentator. Written with the approval and input of his family and friends it provides an insight into the man and his life. MacAskill's biography describes Jimmy Reid's rich and varied life from his upbringing in Govan, a senior full time official for the Communist Party of Great Britain, as well as his role in the Upper Clyde Shipbuilder's work-in which ran for 16 months from June 1971 to October 1972. He was active in the trade union movement, and his political career took him from the CPGB to the Labour Party and eventually to the SNP and the cause of Scottish independence. The biography also covers his later career in the media as an acclaimed newspaper and magazine columnist and

gifted television presenter. Underpinning the personal story is

Scotland's changing political landscape, transforming a land of council housing and manufacturing industry to owner occupied

and financial services.
