MARLEY JOHNSON

Malice Hates Fairy Tales #1 Yen Press LLC

A graphic novel anthology expanding on the all new live-action movie directed by Guy Ritchie, Disney's Aladdin. Travel through the vibrant city of Agrabah in four interconnected tales connected to Disney's all new live-action film. Follow a day in the lives of Aladdin, Jasmine, and Genie, and discover what friends Abu, Raja, and Magic Carpet are up to. Writer Corinna Bechko (Angel Season 11, Once Upon a Time), brings the individuality and spirit of Aladdin and friends to the forefront in this fun-filled anthology.

Wolf Tales with a Twist: A Paranormal Romance Twisted Wolf Tales Series Boxed Set Dark Horse Comics

8 action-packed original stories make this treasury perfect for the little adventurer in every family.

Magic Moves Rene Folsom

With the help of Amber, Satou and the other Ring Princesses finally head back to Arnulus, where a dreadful scene awaits them. Satou rushes in to confront the Abyss King, but he soon learns the power of the rings alone is no match for the darkness he's up against. He'll need his wives to pitch in, so it's back to Nokanatika for "bride camp." With her little sister Morion's guidance, Hime will learn to control the magic power that lies dormant inside her!

Saturday Review of Literature AuthorHouse

Magic is a powerful force in most fantasy worlds, and many are the paths open to those who seek magical power. From the arcane to the divine, *Spells & Magic* provides information for both players and DMs and is easily useable in any d20 campaign world. This is more than just a book of spells and magical items. New prestige classes focusing on new thoughts of magic also fill the book. And like all Bastion Press products, it's designed to be used with any d20 campaign world.

Sourdough Top That! Publishing

"Covering the United States and Canada [with their possessions and neighbors] and containing the biographical and literary data of living authors whose birth or activities connect them with the continent of North America, with a press section devoted to journalists and magazine writers" (varies slightly).

Finding Fuzzy Hachette Children's

Can a feral refrigerator find a reason to exist? How do unicorns live forever? And is a platypus bound by the constraints of time and space like everyone else? In these fourteen short stories, these questions will be answered and more. So dive in and discover characters and settings both familiar and strange. And when you're done, don't forget to leave pizza and beer out for the jobsite elves.

The Independent Phoenix Flight Press

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will

bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

Tales of Wedding Rings, Vol. 6 Papercutz

From Robin Sloan, the New York Times bestselling author of *Mr. Penumbra's 24-Hour Bookstore*, comes *Sourdough*, "a perfect parable for our times" (*San Francisco Magazine*): a delicious and funny novel about an overworked and under-socialized software engineer discovering a calling and a community as a baker. Named One of the Best Books of the Year by NPR, the *San Francisco Chronicle*, and *Southern Living* Lois Clary is a software engineer at General Dexterity, a San Francisco robotics company with world-changing ambitions. She codes all day and collapses at night, her human contact limited to the two brothers who run the neighborhood hole-in-the-wall from which she orders dinner every evening. Then, disaster! Visa issues. The brothers quickly close up shop. But they have one last delivery for Lois: their culture, the sourdough starter used to bake their bread. She must keep it alive, they tell her—feed it daily, play it music, and learn to bake with it. Lois is no baker, but she could use a roommate, even if it is a needy colony of microorganisms. Soon, not only is she eating her own homemade bread, she's providing loaves to the General Dexterity cafeteria every day. Then the company chef urges her to take her product to the farmer's market—and a whole new world opens up.

The Publishers' Trade List Annual Simon and Schuster

In this Goop Tale young Gablia talks on and on and doesn't listen. She is gabbling so much that she forgets the magic words that were spoken to her by a unicorn and ends up going to Turkey where she meets a friendly jerboa named Asuman. Asuman helps her navigate the Turkish Fairy Chimneys where she encounters rock dwellers and fairies. Gablia must learn to listen more than she speaks in order to make her way back to Goop World.

Children's Catalog Grand Central Publishing

The last thirty years have witnessed one of the most fertile periods in the history of children's books: the flowering of imaginative illustration and writing, the Harry Potter phenomenon, the rise of young adult and crossover fiction, and books that tackle extraordinarily difficult subjects. The *Oxford Companion to Children's Literature* provides an indispensable and fascinating reference guide to the world of children's literature. Its 3,500 entries cover every genre from fairy tales to chapbooks;

school stories to science fiction; comics to children's hymns. Originally published in 1983, the Companion has been comprehensively revised and updated by Daniel Hahn. Over 900 new entries bring the book right up to date. A whole generation of new authors and illustrators are showcased, with books like *Dogger*, *The Hunger Games*, and *Twilight* making their first appearance. There are articles on developments such as manga, fan fiction, and non-print publishing, and there is additional information on prizes and prizewinners. This accessible A to Z is the first place to look for information about the authors, illustrators, printers, publishers, educationalists, and others who have influenced the development of children's literature, as well as the stories and characters at their centre. Written both to entertain and to instruct, the highly acclaimed Oxford Companion to Children's Literature is a reference work that no one interested in the world of children's books should be without.

Publishers Weekly St. Martin's Griffin

"Originally published in Great Britain in 2017 by Canongate Books Limited"--Title page verso.

AB Bookman's Weekly MCD

Contains a collection of autobiographical reminiscences written by about 28 former Peace Corps volunteers.

Saturday Review Vintage

"Wonderful." —Michiko Kakutani, *New York Times* Celebrating the 20th anniversary of storytelling phenomenon *The Moth*, 45 unforgettable true stories about risk, courage, and facing the unknown, drawn from the best ever told on their stages Carefully selected by the creative minds at *The Moth*, and adapted to the page to preserve the raw energy of live storytelling, *All These Wonders* features voices both familiar and new. Alongside Meg Wolitzer, John Turturro, Tig Notaro, and Hasan Minhaj, readers will encounter: an astronomer gazing at the surface of Pluto for the first time, an Afghan refugee learning how much her father sacrificed to save their family, a hip-hop star coming to terms with being a "one-hit wonder," a young female spy risking everything as part of Churchill's "secret army" during World War II, and more. High-school student and neuroscientist alike, the storytellers share their ventures into uncharted territory—and how their lives were changed indelibly by what they discovered there. With passion, and humor, they encourage us all to be more open, vulnerable, and alive.

The Oxford Companion to Children's Literature K.G. Wilkie

The 1st ed. includes an index to v. 28-36 of St. Nicholas.

Finding Fuzzy: a YOU-DECIDE Tale of a Lost Friend Illustrated chapter book for early readers (ages 5-9) ...Blue sky. ...Warm sea. ...Sugar-sand beach. ...The perfect family vacation on the Carolina coast. Except the trip heads takes a nosedive when Jenna loses Fuzzy, her plush blue rabbit pal. With the help of sister Sweet T, Jenna learns to carry on without him. But when Jenna stumbles across a secret, she faces the toughest decision of her young life. And YOU, the reader, will help her make that choice and write or draw the ending of this *YOU-DECIDE* tale. Don't worry. Cat shows you how in her book and on her website. So, goop on sunblock. Find your beach shoes. It's time to join Jenna at the shore and come up with YOUR ending for finding Fuzzy. This stand-alone chapter book about Jenna, Sweet T's youngest sister, continues the adventures of the family introduced in

"Sweet T and the North Wind." ----- REVIEWS FOR "SWEET T AND THE NORTH WIND" "I will gladly introduce the book to my children and recommend to their school and friends." ---Amazon reviewer "A sweet, fun story... with enough magic to delight children. But it also has a sad side--as T must come to terms with the sickness of her loving grandmother." ---Nikki Bennett, author of "Four Fiends" and "Mukade Island" "I bought two copies, one for myself and one for my class. I'm working with 5th graders, and we're practicing writing our own stories and I'll be using this book to encourage them to keep writing." ---Amazon reviewer The author tickles the creative and imaginative thoughts of young readers. ---Mamta Madhavan for "Readers' Favorite" -----

The Case of the Gobbling Goop Heritage Capital Corporation

This novel, presents the Wright Brothers as idealists who build a dream out of the nuts and bolts of their everyday reality. There is a hard core of steel in the Wrights that, however compassionate, polite, accommodating and modest they appear to be to other people, is the straight arrow that allows them to see their life's work clearly, to make every decision and action move towards the achievement of their goal, and to seldom make false judgments or false gestures that would cause them to deviate from their true course. The assurance that guides the brothers is that quality in creative people that allows them to work towards their life's goal no matter who or what encourages or discourages them, advances them or retards them, promotes them or disparages them. Familiarity with the Wright Brothers story has made the invention of the world's first airplane seem to have a fairy-tale ambiance which is divorced from the sweat and anxiety of everyday life. This assumption of an effortless invention process is actually a hold-over from the initial response to their accomplishment by the people of the Wright Brothers' own time. While suitably impressed with the achievement of the Wright Brothers, the people of the early Century remained unaware of the complex process that the Wright Brothers had actually gone through in order to produce such amazing results. The lack of appreciation of the complexity of the invention process is a result of the pronouncements of "aviation experts" of the time who failed to appreciate the magnitude of the Wright accomplishment for two reasons: an inability to imagine the number and complexity of the challenges that the Wrights had found solutions to, and a desire to limit the Wrights' legal hold over their inventions in light of what promised to be a great financial future for the new innovation. In effect, while the public of the early Century marveled at the invention of the airplane, and gave full credit to the Wright Brothers, many "aviation experts" assumed that the Wright Brothers' contribution to the invention process had involved nothing more complicated than a little tinkering with the ideas of those who were better qualified by education and by academic eminence to invent the airplane.

Summer of Night Death Pout

She retired from magic, but it still finds her. Mrs. Marsh spends her days caring for her home and avoiding her neighbors whenever possible. Her only goal in life is to enjoy the peace that comes with being retired and antisocial. All this is threatened on a stormy night when a home invasion by a pompous goop and a monstrous flaming rat creature will threaten to drag her into an adventure and ruin her peaceful retirement plans. Readers will enjoy this short read where monsters and magic meets nursing and a lovably stubborn old woman.

Midnight in the Garden of Good and Evil Death Pout

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

To the Victor: Tales of Magic and Adventure OUP Oxford

Smoke Gets in Your Eyes meets *Women Who Run With The Wolves* in this "gorgeously written, fierce, political, personal, and deeply inspiring" (Michelle Tea) memoir about finding meaning, beauty, and power through a life in witchcraft. An initiation signals a beginning: a door opens and you step through. Traditional Wiccan initiations are usually brought into the craft through a ceremony with a High Priestess. But even though Amanda Yates Garcia's mother, a practicing witch herself, initiated her into the earth-centered practice of witchcraft when she was 13 years old, Amanda's real life as a witch only began when she underwent a series of spontaneous initiations of her own.

Descending into the underworlds of poverty, sex work, and misogyny, *Initiated* describes Amanda's journey to return to her body, harness her power, and create the magical world she longed for through witchcraft. Hailed by crows, seduced by magicians, and haunted by ancestors broken beneath the wheels of patriarchy, Amanda's quest for self-discovery and empowerment is a deep exploration of a modern witch's trials - healing ancient wounds, chafing against cultural expectations, creating intimacy - all while on a mission to re-enchant the world. Peppered with mythology, tales of the goddesses and magical women throughout history, *Initiated* stands squarely at the intersection of witchcraft and feminism. With generosity and heart, this book speaks to the question: is it possible to live a life of beauty and integrity in a world that feels like it's dying? Declaring oneself a witch and practicing magic has everything to do with claiming authority and power for oneself, of taking back our planet in the name of Love. *Initiated* is both memoir and manifesto calling the magical people of the world to take up their wands: stand up, be brave, describe the world they want, then create it like a witch.

Books Added Crown

In the fourth volume of the *Malice in Wonderland* Saga, the Brothers Grimm are trying to unleash twisted fairy tale beings into Wonderland. 15-year-old Queen Malice doesn't want to deal with them. But then Malice's dear friend, the Mad Hatter, is kidnapped. So to save him, she's forced to work with Cinderella, and ends up getting sucked into Fairy Tale Land. If things keep going this way, the fairy tales might eventually cross over into the outside world, where her twin, Alice, lives. Malice struggles to do the right thing, but her heart keeps malfunctioning, sending her into fits of maliciousness. Killing Cinderella would be bad, right?
