Five Short Stories to Learn German from Romanian for Beginners, Intermediate, and Advanced Mozaika LLC

Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—*The Washington Post* "A trumpet blast for the imagination."—*Sunday Times*

Crazy Mozaika LLC

Setting out to find his grandfather, Listener carries with him a mysterious stone which takes him far away to do great harm. But, through the magical powers of the stone and his grandfather's flute, he also comes to find happiness and to possess a power greater than life itself.

A smart, funny, poignant, very modern autobiographical coming-of-age novel, written when the author was sixteen years old. Like *Catcher in the Rye*, *Crazy* appeals to the teenager in us all. Benni himself is partially paralyzed and a serial failure (he's been kicked out of four boarding schools in his short life and has just entered his fifth). So he's a little odd, but he's cool and he finds other strange boys to hang with. Together they set out to experience what they can: girls, booze, sex, philosophy, drugs, sex, books, music, sex--pretty much everything whatever. And Benni lets us in on "the crazy life" he figures is the only way to deal with the crazy world.

INTRODUCING: 10 Provocative Short Stories to Learn German (Including Lists of Vocabulary & Detailed Quizzes) Do you know what's the most popular, breakthrough way of learning a new language nowadays? There's something that's for sure: you already know it isn't common, old-fashioned type of language learning books. Those are incredibly boring and outdated. But there's so much more than that. Today, the most popular, hustle-free way of learning a foreign language is this: by reading short stories, fun tales, and captivating narratives that keep you hooked from beginning to end. Do we have your attention already? Great. Because that's exactly what this book is about. Captivating Stories + German Language = Learn Faster The best thing about using short stories to learn foreign languages is that you actually learn without realizing you're doing it. Think for a second, when was the last time you learned something new without much effort on your part? When was the last time you actually enjoyed the learning process and were eager to keep advancing, page after page, having fun the whole time? Most

likely than not, it's tough to recall feeling like that. That's why learning German with short stories is catching up so much momentum lately: it works, it's fun, and it's pretty much hustle-free. In this volume you'll find ten exciting short stories intended for upper beginners and intermediate German learners. They've been prepared for A2, B1 and B2 levels of the CEFR (Common European Framework of Reference). You just have to focus on one story at a time and start reading. Each story contains 3000 to 4000 words, and they can be read quite effortlessly. The stories were built around multiple genres, including mystery, adventure, fantasy and romance, and most take place in Germany. We've prepared these tales to keep you entertained and motivated to continue reading until the very end of each story. We strongly believe that learning while enjoying yourself is the ideal approach to learning. INCLUDING: Lists of Vocabulary, Detailed Exercises & Summaries of Each Tale This volume contains ten short tales written in German. Each story is divided into three chapters. The first chapter introduces the characters and the general setting. Chapter 2 presents the conflict, and Chapter 3 solves it completely. After each chapter you'll find an Annex with a short summary of what you just read, a list with the most challenging vocabulary introduced in that chapter, and quizzes to expand your comprehension. READ: German Short Stories For Intermediates - 10 Provocative Short Stories to Learn German By Reading Fun Tales This volume contains hundreds of new words in German you can try in your next trip to Germany. These tales will push you to grow your German vocabulary. Keep in mind that the level of difficulty of each tale goes up as you advance. That's why we've chosen each set of vocabulary carefully, keeping an eye on how each student feels with each tale. What Do You Get From Reading This Book? First of all, you'll have a lot of fun reading fiction Secondly, you'll expand your vocabulary to unprecedented levels Third, you'll get a snapshot of the culture and habits of the German speaking world Fourth, we'll give you an excuse to put down all those boring grammar books you own Fifth, you'll feel way more comfortable with your German skills in your next trip to Germany And sixth, did we mention you're going to have a lot of FUN reading these tales? Think of this volume as your German

language learning companion. All you need to do is pick a story from this book, prepare a cup of coffee or tea, and start reading. Are you ready to start reading? Get this volume now and start reading German tales. Scroll to the top of the page and click on the buy button.

Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions

and key vocabulary The more you read, the easier your brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the

mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

Five Short Stories to Learn German from Russian for Beginners, Intermediate, and Advanced Teach Yourself

In November 1939, a German anti-fascist named Georg Elser came as close to assassinating Adolf Hitler as anyone ever had. In this gripping novel of alternate history, he doesn't just come close—he succeeds. But he could never have imagined the terrible consequences that would follow from this act of heroism. Hermann Göring, masterful political strategist, assumes the Chancellery and quickly signs a non-aggression treaty with the isolationist president Joseph Kennedy that will keep America out of the war that is about to engulf Europe. Göring rushes the German scientific community into developing the atomic bomb, and in August 1944, this devastating new weapon is tested on the English capital. London lies in ruins. The war is over, fascism prevails in Europe, and Canada, the Commonwealth holdout in the Americas, suffers on as a client state of the Soviet Union. Georg Elser, blinded in the A-bombing of London, is shipped to Canada and quarantined in a hospice near Toronto called Mercy House. Here we meet William Teufel, a German-Canadian boy who in the summer of 1960 devises a plan that he hopes will distance

himself from his German heritage and, unwittingly, brings him face to face with the man whose astonishing act of heroism twenty-one years earlier set the world on its terrifying new path. In this page-turning narrative, Bock has created an utterly compelling and original novel of historical speculation in the vein of Philip Roth's *The Plot Against America*, John Wyndham's *The Chrysalids* and Philip K. Dick's cult classic *The Man in the High Castle*.
