**Murder on Stage** Ballantine Books

The Beast has taken just about everything it can from Sylvester Logan James, and for twenty years he has waged his war with silver bullets and a perfect willingness to die. But fighting monsters poses danger beyond death. He contends with not just the ancient werewolf Peter Stubbe, the cannibalistic demon Windigo, and secret cartels, but with his own newfound fear of damnation.

**It's All for the Kids** Univ of California Press

Keke McCoy, a.k.a Brandy, an overworked and underpaid journalist, is given the opportunity to write the story of a lifetime. Unfortunately, the story hits close to home and she is forced to deal with demons she thought were buried ten years--and forty pounds--ago when she left her former life as one of Atlanta's premier exotic dancers. Monaka, the dancer who took Keke's place at The Honey Spot--a female owned strip club outside of Atlanta, Georgia--is brutally murdered while giving a private dance. Keke has to face the feelings of betrayal her dance sisters and former benefactor, HoneyMama, felt when she wrote the article that allowed her to change professions, and unfortunately also gave both stripping and The Spot, as it is affectionately called, more bad press than good. Her boss, Charlie, pressures Keke to "dig deeper" and choose between her loyalty to The Spot and her desire to pen an award-winning article that could make or break her career as a writer. She also speaks candidly about her unpredictable sex life with her lover, Ian, who is never around when she needs him, and her attempt to stay strong and not give into the advances of her ex-boyfriend, Drew, a detective assigned to the case. With her best friend, Shelley, Keke discusses self-esteem issues, her choices in men, and her desire to find her "spot" again. The Honey Spot is a sensually mysterious read that keeps the reader guessing in more ways than one. In the end, all of the characters finally get the justice that they deserve.

*Reading and Writing Poetry with Teenagers* The Pilgrim Press

She's disposable... and she knows it. A survivor of too many foster homes, B.J. Larson is content living in a youth center where your status is determined by how long your arrest record is. And hers is lengthy. Then she's placed in her 13th foster home in the small town of Stewart Falls, Washington - with foster parents who will "love" her, not just the money the state pays for her care. B.J. knows kids like her never get "real homes," much less "real families." She's not stone stupid. She knows a scam when she sees one but if these new foster parents want to pay her for grades and trying new things, she'll get the A's... Ah heck, she'll even be a cheerleader!

*Lonely Planet France* Fire & Ice Young Adult Books

This book helps adults to understand firesetting behaviour in children and teens and provides strategies to work with them to address the behaviour. Drawing upon the latest juvenile firesetting research and utilising child development theory to underpin its safety messages, the book explores why young people might set fires in the first place and contextualises firesetting in terms of communication and gaining the attention of carers and other adults. The chapters lay out practical, tried-and-tested steps that professionals and carers can take to address firesetting behaviour, and suggests how to further support any child or teen who sets fires. This includes summaries of the latest evidence-based support strategies and a range of creative activities that can be used in direct work with children and teenagers who set fires, tailored to specific age ranges. Combining expert advice on firesetting behaviour with straightforward practices, this comprehensive book can be used by anyone working with young people to help them intervene and prevent it.

Successful sports coaching is as dependent on utilising good teaching and social practices as it is about expertise in sport skills and tactics. Understanding Sports Coaching offers an innovative introduction to the theory and practice of sports coaching, highlighting the social, cultural and pedagogical concepts underpinning good coaching practice. Now in a fully revised and updated second edition, the book explores the complex interplay between coach, athlete, coaching programme and social context, and encourages coaches to develop an open and reflective approach to their own coaching practice. It addresses key issues such as: power and the coach-athlete relationship viewing the athlete as a learner instructional methods and reflection how our view of ability informs assessment coaching philosophy and ethics. Understanding Sports Coaching also includes a full range of practical exercises and case studies designed to encourage coaches to reflect critically upon their own coaching strategies, their interpersonal skills and upon important issues in contemporary sports coaching. This book is essential reading for all students of sports coaching and for any professional coach looking to develop their coaching expertise.

From South Park to Kathy Acker, and from Lars Von Trier to Sex and the City, women's sexual organs are demonized. Rees traces the fascinating evolution of this demonization, considering how calling the 'c-word' obscene both legitimates and perpetuates the fractured identities of women globally. Rees demonstrates how writers, artists, and filmmakers contend with the dilemma of the vagina's puzzlingly 'covert visibility'. In our postmodern, porn-obsessed culture, vaginas appear to be everywhere, literally or symbolically but, crucially, they are as silenced as they are objectified. The Vagina: A Literary and Cultural History examines the paradox of female genitalia through five fields of artistic expression: literature, film, TV, visual, and performance art. There is a peculiar paradox - unlike any other - regarding female genitalia. Rees focuses on this paradox of what is termed the 'covert visibility' of the vagina and on its monstrous manifestations. That is, what happens when the female body refuses to be pathologized, eroticized, or rendered subordinate to the will or intention of another? Common, and often offensive, slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't 'look' at the vagina itself - slang offers a convenient distraction to something so taboo. The Vagina: A

Literary and Cultural History is an important contribution to the ongoing debate in understanding the feminine identity

**Burning Secrets** Walch Publishing

Children are at the heart of popular and public debates in North America and Europe about the culture of public space. On the one hand there is increased anxiety about children's vulnerability to stranger danger, on the other there is a rising tide of fear about out of control and dangerous youth. This book addresses both these debates about children's role in public space, setting them within an academic framework and drawing on a range of interdisciplinary work on childhood, young people and parenting. It is therefore relevant to practitioners and policy makers concerned with the nature and future of public space, and to academics researching or teaching about childhood, family or public space in the disciplines of sociology, social policy and geography.

Continue the journey with Book 4 of the blockbuster Alien Invasion series; the breakout sci-fi series with over 1000 5-star reviews. WHAT THEY HAVE LOST, WE MUST FIND... The resistance has nearly been wiped out, its numbers reduced to a scant fraction of what they once were. Meyer has fallen. With hope nearly a memory, something must turn the tide of war. A deadly weapon, known only as Thor's Hammer, brings the promise of salvation. Now, the scattered remnants of the human race must find the device and recover it before the aliens can discover its location. Because if the rampaging Astral forces beat them to the weapon, the fate of Earth will be sealed. Fight for hope. Search for survival. ★★★★★ "If you like sci-fi, fast paced, great writing, this series is for you. Start at #1 and run. Love it." — Andre Paul ★★★★★ "This Christmas, because of Annihilation, I slept way less than I would have, otherwise. I simply couldn't put the book down as I had to know what happens next." — Jarkko Laine ★★★★★ "Some series level off after a few books, but this series just keeps on surprising me! If a book leaves me breathless, then I know it's done its job... Love where this series is going!" — Beth Farrar ★★★★★ "I haven't gotten much sleep since I received my copy of Annihilation. Great twists and turns keep you guessing and riveted throughout!" — Christine ★★★★★ "Book 3 left me in tatters, with a "WTF just happened!?" look on my face. As I sat there in the afterglow of a kick-ass story — settling into the fact that it would be many months before the next book came out — I was reminded once again of why I love to read so much! Well, the wait is over, and as soon as book 4 came out I devoured it instantly. And here I am again, just hours later, waiting for the next book to come out. ☐ God I love a great story!" — Adam Bailey This relentless, page-turning tale of colonization and alien empire is the fourth in the completed Alien Invasion series.

**Annihilation** Jane Blythe

Thomson (independent scholar), writing of *The Biographical Dictionary of Film* (aka *A Biographical Dictionary of the Cinema*, 1975 edition), described it as "a personal, opinionated, and obsessive biographical dictionary of the cinema." Thirty-five years and several editions later, that description still holds true of this expanded work. The new dictionary summarizes salient facts about its subjects' lives and discusses their film credits in terms of the quality of the filmmakers' work. In ambition it has competitors, including Leslie Halliwell's various editions of *Halliwell's Filmgoers Companion* (12th ed., 1997) and *Halliwell's Who's Who in the Movies*, edited by John Walker (4th ed., rev. and updated, 2006), which cover films and technical terms (categories not included in Thomson's), but whose entries are neutral and exceedingly brief. Additionally, Francophile Richard Roud's edited *Cinema: A Critical Dictionary: The Major Filmmakers* (2 v., 1980) is as passionate a work as Thomson's, but narrower in scope, with entries written by various experts, rather than only by Roud. Finally, the multivolume magnum opus *The International Dictionary of Films and Filmmakers* (4th ed., 2000, ed. by T. Pendergast and S. Pendergast; 2nd ed., ed. by N. Thomas, v. 1, CH, May'91; 1st ed., ed. by C. Lyon, v.1-2, CH, Jan'85, v.3, CH, Apr'87, v.4-5, CH, Jun'88) covers everything--films, directors, actors, writers, and production artists--with generous, measured, scholarly entries and lavish illustrations. However, it looms large and heavy, unlike the handy one-

volume work by Thomson. Arguably, Thomson's work, for its scope, is the most fun, the most convenient, and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money. Summing Up: Highly recommended. Lower-level undergraduates and above; general readers. General Readers; Lower-division Undergraduates; Upper-division Undergraduates; Graduate Students; Researchers/Faculty; Professionals/Practitioners. Reviewed by C. Hendershott.

**Weekly World News** John Wiley & Sons

A comprehensive guide to understanding and using storytelling in therapy with kids and teens "George Burns is a highly experienced clinician with the remarkable ability to create, discover, and tell engaging stories that canteach us all the most important lessons in life. With 101 Healing Stories for Kids and Teens, he strives especially to help kids and teens learn these life lessons early on, providing them opportunities for getting help and even learning to think preventively." -Michael D. Yapko, PhD | Author of *Breaking the Patterns of Depression and Hand-Me-Down Blues* "George Burns takes the reader on a wonderful journey, balancing metaphor, good therapeutic technique, and empirical foundations during the trip. Given that Burns utilizes all three aspects of the Confucian story referred to in the book-teaching, showing, and involving-readers should increase their understanding of how stories can be used therapeutically." -Richard G. Whiteside, MSW | Author of *The Art of Using and Losing Control and Working with Difficult Clients: A Practical Guide to Better Therapy* "A treasure trove for parents and for professionals in the child-development fields." -Jeffrey K. Zeig, PhD | Director, The Milton H. Erickson Foundation Stories can play an important and potent role in therapy with children and adolescents-helping them develop the skills to cope with and survive a myriad of life situations. In many cases, stories provide the most effective means of communicating what kids and teens might not want to discuss directly. 101 Healing Stories for Kids and Teens provides straightforward advice on using storytelling and metaphors in a variety of therapeutic settings. Ideal for all who work with young people, this unique resource can be combined with other inventive and evidence-based techniques such as play, art, music, and dramatherapies as well as solution focused, hypnotic, and cognitive-behavioral approaches. Offering guidance for new clinicians and seasoned professionals, George Burns's latest work delivers a unique combination of information on incorporating storytelling in therapy, dozens of ready-made stories, and tips for creating original therapeutic stories. Innovative chapters include: \* Guidance for effective storytelling \* Using metaphors effectively \* Where to get ideas for healing stories \* Planning and presenting healing stories \* Teaching parents to use healing stories In addition, 101 Healing Stories for Kids and Teens includes dozens of story ideas designed to address a variety of issues, such as: \* Enriching learning \* Teaching self-care \* Changing patterns of behavior \* Managing relationships, emotions, and life challenges \* Creating helpful thoughts \* Developing life skills and problem-solving techniques **Walt Disney World & Orlando For Dummies** Bonnier Publishing Fiction Ltd.

Finding balance for your personal, spiritual, and professional life can seem daunting. "A Play-full Life: Slowing Down and Seeking Peace" explores the life-giving power of play. Through practices of solitude and hospitality, creativity and quiet, author Jaco J. Hamman empowers Christians to sense the fullness of life and to seek peace.
