The Williams FW14B is the 1992 Formula 1 World Championship-winning car that dominated the season and took Nigel Mansell to his only World Drivers' Championship, winning nine races. Mansell's team-mate, Riccardo Patrese, also won a race, and finished second to Mansell on six occasions. To complete the stunning statistics, Mansell either won or finished second in all the races he finished that season, and he took pole position for all but two of the season's 16 races.

The Honda Civic is one of the most sought after cars in the modifying world. It has a massive following worldwide due to the great Japanese mechanics, and the potential to make what is essentially a dull car look great. So many looks, so many products

- including products which are sometimes cheaper than standard parts replacements! But what if you have any problems - ill-fitting kits, no instructions, or instructions written in Japanese? Haynes can help with this new full colour guide to DIY modifying.
