Pattern Recognition - a pulsating techno-thriller by William Gibson, bestselling author of Neuromancer Cayce Pollard has been flown to London. She's a 'coolhunter' - her services for hire to global corporations desperate for certainty in a capricious and uncertain world. Now she's been offered a special project: track down the makers of the addictive online film that's lighting up the 'net. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese computer crazies and Russian Mafia men. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . William Gibson is a prophet and a satirist, a black comedian and an outstanding architect of cool. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks will love this book. Pattern Recognition is the first novel in the Blue Ant trilogy - read Spook Country and Zero History for more. 'A big novel, full of bold ideas . . . races along like an expert thriller' GQ 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' USA Today 'A compelling, humane story with a sympathetic heroine searching for meaning and consolation in a post-everything world' Daily Telegraph Idoru is a gripping techno-thriller by William Gibson, bestselling author of Neuromancer 'Fast, witty and cleverly politicized' Guardian

The Art of Racing in the Rain Disney-Hyperion

The basis for the motion picture starring Lily Collins and Sam Claflin! What happens when two people who are meant to be together can't seem to get it right? Rosie and Alex are destined for each other, and everyone seems to know it but them. Best friends since childhood, they are separated as teenagers when Alex and his family relocate from Dublin to Boston. Like two ships always passing in the night, Rosie and Alex stay friends, and though years pass, the two remain firmly attached via emails and

letters. Heartbroken, they learn to live without each other. But destiny is a funny thing, and in this novel of several missed opportunities, Rosie and Alex learn that fate isn't quite done with them yet.

Pirate Cinema Dorling Kindersley Ltd

The epic third novel in the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

Something Wicked this Way Comes jimmy patterson

The #1 New York Times bestseller that begins the epic Maximum Ride series is now available at an incredible low price for a limited time only! Fourteen-year-old Maximum Ride, better known as Max, knows what it's like to soar above the world. She and all the members of the "Flock"--Fang, Iggy, Nudge, Gasman and Angel--are just like ordinary kids. Except for the fact that they have wings and can fly. It may seem like a dream come true to some, but their lives can morph into a living nightmare at any time--like when Angel, the youngest member of the Flock is kidnapped and taken back to the School where she and the others were genetically engineered by sinister scientists. Her friends desperately attempt to save Angel, but they soon find themselves in yet another nightmare when the School sends wolf-human hybrids to find them--dead or alive. Along the way, Max discovers that her purpose in being created is to save the world--but can she?

Investigations of a Dog Bbva-Open Mind

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times *Angel* Bloomsbury Publishing USA

In the seventh book in the bestselling series, evil scientists are still trying to convince Max that she needs to save the world, this time by providing the genetic link in speeding up the pace of evolution. Worse, they're trying to convince her that her perfect mate is Dylan, the newest addition to the flock. The problem is that, despite herself, Max is starting to believe it. Fang travels the country collecting his own gang of evolved humans, but the two separate flocks must unite to defeat a frightening doomsday cult whose motto is Save the Planet: Kill the Humans. And this time, the true heroine, for once, might just be little Angel.

A Book of Natural History Duke University Press

Thirty-one tales depicting the humorous, if near tragic conditions of life in the Deep South during the fifties

Remarks / by Bill Nye Viking

A powerful novel about friendship, basketball, and one teen's mission to create a better life for his family. Written in the tradition of Jason Reynolds, Matt de la Pe a, and Walter Dean Myers, *After the Shot Drops* now has three starred reviews * "Belongs on the shelf alongside contemporary heavy-hitters like Angie Thomas's *The Hate U Give*, Brendan Kiely and Jason Reynolds's *All-American Boys*, and Nic Stone's *Dear Martin*."--*School Library Journal*, starred review Bunny and Nasir have been best friends forever, but when Bunny accepts an athletic scholarship across town, Nasir feels betrayed. While Bunny tries to fit in with his new, privileged peers, Nasir spends more time with his cousin, Wallace, who is being evicted. Nasir can't help but wonder why the neighborhood is falling over itself to help Bunny when Wallace is in trouble. When Wallace makes a bet against Bunny, Nasir is faced with an impossible decision--maybe a dangerous one. Told from alternating perspectives, *After the Shot Drops* is a heart-pounding story about the responsibilities of great talent and the importance of compassion.

"This generation's Cruel Intentions." Jennifer L. Armentrout, #1 New York Times Bestselling Author *These Royals* will ruin you...

From wharf fights and school brawls to crumbling lives inside glittery mansions, one guy tries to save himself. Reed Royal has it all—looks, status, money. The girls at his elite prep school line up to date him, the guys want to be him, but Reed never gave a damn about anyone but his family until Ella Harper walked into his life. What started off as burning resentment and the need to make his father's new ward suffer turned into something else entirely—keep Ella close. Keep Ella safe. But when one foolish mistake drives her out of Reed's arms and brings chaos to the Royal household, Reed's entire world begins to fall apart around him. Ella doesn't want him anymore. She says they'll only destroy each other. She might be right. Secrets. Betrayal. Enemies. It's like nothing Reed has ever dealt with before, and if he's going to win back his princess, he'll need to prove himself Royally worthy. *The Wonder Book of Knowledge* St. Martin's Press

Blindsight is the Hugo Award-nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (*The Globe and Mail*). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if

you knew what was waiting for them. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
