Ayrton Senna da Silva was
a Brazilian racing driver
who won Formula One
world championships for
McLaren in 1988, 1990
and 1991, and who is
widely regarded as one of
the greatest Formula One
drivers of all time. He died
in an accident while

leading the 1994 San
Marino Grand Prix for
Williams.

*Ayrton Senna: Portrait of a
Racing Legend*

Motorbooks International
The three years that
Ayrton Senna drove for
Team Lotus, 1985-87, was
one of the headiest
periods in the history of
motor racing. Not only
were titanic battles raging
between the four leading
teams - McLaren,
Williams, Ferrari and
Lotus - in the second

phase of the mega-
powerful turbo era, rivalry
between the top Formula
1 drivers, on-and off-
track, was wound up to
fever pitch. Behind the
scenes, intrigues
fermented between team
personnel, sponsors and
component suppliers.
Johnny Tipler interviewed
many of the people
involved in F1 at the time
and with Team Lotus in
particular, and without
exception they were keen
to discuss Senna's tenure

of the prime seat at the Norfolk team, where the young Brazilian was warmly regarded and his talents held in high esteem. The book draws on this wide variety of first-hand sources to describe the atmosphere and politics within the organization, as well as examining the cars Senna and his three successive team-mates, de Angelis, Dumfries and Nakajima drove, from Types 97T to 99T, with reference to their technical evolution. The chronological theme includes chapters

detailing Team Lotus's performance in each Grand Prix, interspersed with chapters penetrating the underlying themes - mechanical and political, including the mood at Ketteringham Hall in the season prior to Senna's arrival when Mansell was at loggerheads with team manager Peter Warr. The book pulls no punches in its final summation of the effect that Senna had on the once glorious Norfolk squad. Although the time that Senna spent at Lotus marked the team's final flowering as a Grand Prix

winning outfit, it has been largely overlooked. Given better reliability, he could easily have become World Champion with Lotus and Johnny Tipler's detailed investigation redresses the balance, providing a comprehensive record of this short but fascinating era. It brings to light the state of affairs within Team Lotus during the post-Chapman period, and more fundamentally it demonstrates the level of excitement and commitment that Senna aroused. For a grief-wracked team following

the death of its founder, Senna's transitory reign was its heroic last stand.

Frances Lincoln Children's Books

This definitive record of

Ayrton Senna's racing life

provides detailed coverage of every single race in which he competed, including Formula Ford, Formula 3 and Formula 1, in addition to one-off appearances and tests in other categories, such as the World Sports Car Championship and Indy Car. The compelling text features insightful new material drawn from interviews with many of Senna's rivals and colleagues - from early opponent Calvin Fish to Williams team-mate Damon Hill - and is

accompanied by a rich array of high-quality period photographs captured through the lenses of Sutton Images, where brothers Keith and Mark Sutton between them followed Senna's meteoric career from the very beginning. Graced with a foreword by Martin Brundle, Senna's great rival in Formula 3 during 1983, this top-quality book provides a fitting tribute to a Formula 1 legend whose legacy today extends far beyond the world of motor racing. - The karting years: racing

in Brazil and South America between 1973 and 1977, and Senna's efforts to win the elusive karting World Championship between 1978 and 1981. - Formula Ford 1600 and 2000: racing with the Van Diemen works team in 1981, before progressing to FF2000 in 1982, dominating the British and European championships. - Formula 3: the battle with Martin Brundle for the 1983 British F3 Championship. - Formula 1 baptism with Toleman: nearly winning the rain-

shortened Monaco Grand Prix, and qualifying third at Estoril, behind Piquet's Brabham and Prost's McLaren. - The Lotus years, 1985-87: Senna's first wins, at Estoril and Spa in 1985, two more wins in 1986, and his final Lotus year, with wins in Monaco and Detroit, before signing for McLaren for the 1988 season. - The McLaren years, 1988-93: first world title in 1988 followed by an acrimonious year with team-mate Alain Prost in 1989. - Two further world

titles in 1990 and 1991, but then Williams emerges to dominate with Nigel Mansell (1992) and Alain Prost (1993), Senna winning five races in his final year for McLaren. - The final season (1994): driving for a no-longer-dominant Williams, struggling to take the fight to Benetton and Michael Schumacher, before tragically losing his life at Imola. In the late eighties and early nineties, Formula One was at its most explosive, with thrilling races, charismatic drivers, nail-biting climaxes - and the most deadly rivalry ever witnessed in sport. Two of Formula One's most honoured champions and iconic figures drove together for McLaren for two seasons, and their acrimonious and hostile relationship

extended even after one of them had left the team. ALAIN PROST, France's only F1 world champion, the intelligent, smooth driver with the epithet 'Le Professeur'. AYRTON SENNA, the mercurial kid from a privileged background in Sao Paolo who would become the most intense and ruthless racing driver the world has ever seen. It was a story that would have a tragic ending. As the great rivals raced to victory, their relationship deteriorated badly, beginning with the

breaking of a gentleman's agreement, and public spats followed, culminating in Prost accusing Senna of deliberately trying to ride him off the circuit, and fearful that the Brazilian would get someone killed with his daring overtaking feats. And the final, sad act of this drama happened at the San Marino Grand prix at Imola in May 1994, when Senna was killed. Featuring a rare interview with Prost, and insight from Martin Brundle, Damon Hill, Sir Frank

Williams, Bernie Ecclestone, Derek Warrick, Johnny Herbert, Gerhard Berger, plus McLaren insiders and other F1 figures, Malcolm Folley provides us with a breath-taking account of one of the all-time classic sporting rivalries.
